Kiowa Casino Wins “Texoma’s Best 2009” Award

August 2009

Devol Oklahoma -- (PRESS RELEASE) – Kiowa Casino recently was named by readers of the Times Record News as Texoma’s Best Place to Gamble 2009!

The annual awards, initially voted for by Times Record News readers, are one of the most important awards run each year, with over hundreds of companies competing with over thousands of products and services.

The Texoma award was announced at a gala event at the Howard Johnson in Wichita Falls, Texas in August where all Texas and Oklahoma business recipients were recognized.

Commenting on the win, Jim LaPorte, General Manager of the Kiowa Casino said, "We are very pleased to have won this well-regarded award, especially as our customers get to vote, we take it as them thanking us for a job well done. We are thrilled they feel we are worthy of it, and we can continue to offer the complete gaming entertainment experience." "This is our second year winning the award and it’s truly an honor to be recognized by your patrons because we have only been established for 2 years now, with our grand opening in May of 2007."

The Kiowa Casino is owned by the Kiowa Tribe of Oklahoma and celebrated its second anniversary on May 23, 2009.
